

ACCEPT THE INFLUENCE

you are being influenced by everything around you and what is reaching you you are able to access all the knowledge of the world

believing is all about knowledge and what you are known with **you have your knowledge**
in this knowledge you can believe and trust
untill you find, meet, have other knowledge

you know you are knowing more and more
more believes values, habits, religions, traditions,
beside your own roots, beside your comfort zone

you decide
what you do with all this knowledge

you control your influences
You have influence on your surrounding. Your surrounding influences you.

open up - share - listen - look around - be conscious - decide
